Pupil Premium Grant Expenditure Report 2016-17

Headteacher: Rachel Eckford

The Secretary of State for Education lays down the following terms and conditions on which assistance is given in relation to the pupil premium grant (PPG) payable to schools and local authorities for the financial year beginning 1 April 2016. PPG provides funding for two policies:

- raising the attainment of disadvantaged pupils of all abilities to reach their potential
- supporting children and young people with parents in the regular armed force

Pupils considered to be disadvantaged are eligible for PPG funding. These include:

- Pupils in year groups reception to year 6 recorded as receiving free school meals (FSM) (or in receipt of FSM over the last 6 years)
- Looked-after children (LAC) (including those looked after for at least one day)
- Post –LAC i.e. those children who have left local authority care through adoption, special guardianship or other arrangements since January 2016
- Service children

Outcomes of PPG Expenditure 2015-16	
Total PPG received	£265,200
Total LAC/post-LAC funding received	
Total PPG expenditure *	£277,377
PPG remaining	£0.00

By the end of Key Stage Two, pupils at Henry Fawcett who are eligible for free school meals (FSM) outperform non FSM pupils by:

- 30% in reading
- 1% in writing and
- 4% in maths

By contrast in Lambeth, pupils in receipt of FSM did *less* well on average than their more affluent peers.

The January 2016 census identified on LAC/post-LAC pupil. By summer 2016 this child ended the year having attained Age Related Expectations and having made outstanding progress (5.7 points compared to the expected 3).

This outstanding result is due to strategic spending and rigorous monitoring across the school.

*Other expenditure from core funding
