Yes we can 2017/18

22nd June 2018

## EARLY YEARS FATHER'S DAY CELEBRATION

The children shared a lovely breakfast and played a variety of games with their male role models, which they thoroughly enjoyed. Tobi said "I love playing basketball with my dad, it was fun and he helped me put the ball in the hoop." The adults also found it a valuable and enjoyable experience, and one parent told us "I don't usually come into school because of work but it was really nice to spend time with him and see what he does at school". Thank you to all the adults who joined in the celebration.

**THE WEATHER NEXT WEEK IS DUE TO BE EXTREMELY HOT. PLEASE MAKE SURE YOU APPLY SUN CREAM BEFORE SCHOOL AND THAT CHILDREN HAVE A SUN HAT AND BRING A BOTTLE OF WATER TO SCHOOL WITH THEIR NAME WRITTEN ON IT.**

Yes we can

## Year 5 Residential Trip

Year 5 had a fantastic trip to Grosvenor Hall in Kent last week. They developed their team work skills through blindfold challenges where they had to trust each other to find their way through an obstacle course. They made dens in the woods and scaled the heights of the climbing wall. They challenged themselves to try new things. We are very proud of them.

## NSPCC Assembly & Workshops

Keeping our children safe is our top priority. Part of this commitment is to teach the children how to keep themselves safe and who to talk to if anything upsets or worries them. This week the NSPCC joined us to deliver assemblies and workshops. They talked to the children about the importance of talking to trusted adults in school or at home. We have added NSPCC information for parents and carers to our website on the 'useful links' page.

## SPORTS DAY FRIDAY 29TH JUNE

Please join us next week in Kennington Park. The weather is due to be very hot and we will make sure all children have plenty of water to drink. Please make sure you apply lots of sun cream before they arrive at school and bring a sun hat with them.
