NATIVITY

This week the Early Years shared with us their wonderful Nativity Play, which was watched and loved by us all. We were really impressed how professional they were. We were very pleased that so many parents were able to join us.

FAREWELL

This term we say goodbye to Miss Groves who is leaving after 3 years with the school. Miss Groves is moving out of London and getting married in the spring and we wish her the very best. Miss Groves has told us that she will miss everyone very much, especially those pupils and their families that she has worked so closely with over the past three years. Good Luck Miss Groves!
